The policeman, who restured to Assiont with the news of the crime, had sustained three wounds in the head and sheatlers, but these proved later to have been self-initised. The reason for this self-multislore was that he himself was the murderer, his anger having been around by the fact thath him wife had been guilty of improver conduct with one of the camb drivers. his wife had been guilty of improper conduct with one of the camel drivers.
